REMARKS & OTHER CONSIDERATIONS:

Please note the following:

- Even though you are the person who requested the loading zone, the loading zone remains the property of the City of Baltimore and it may be used by anyone who is actively loading or unloading a vehicle per Article 31, Section 6-16 (c) of Baltimore City Code.
- A loading zone is not a parking space for you, or the drivers of the vehicles for pick-up or drop-off. Its use is for the expeditious loading and unloading of passengers only: violators may receive citations.
- Continuous abuse of a loading zone may result in its removal.
- Generally, 3 weeks is required for investigation of a TLZ application and for a determination to be made.
- If a TLZ is approved, installation of signs generally takes 30 days.
- There are no fees associated with this service
