- Ability to communicate with team members, customers and external community public

### Supervision Received and Exercised

---

The Division Manager, Parking Planning will oversee the tasks and projects assigned to the Intern. Goals and objectives will be established and reviewed during the course of the internship. Additional oversight from the Planning team members will assist the Intern in meeting goals and objectives.

### Physical Requirements

---

The office environment is conducive with regulated office temperatures and lighting. The noise level can occasionally be moderate. The Intern will frequently sit, stand, walk, stoop, bend, use hands and reach with hands and arms. Occasional light lifting, such as three or four reams of paper or other materials up to 40 pounds may be required. Specific vision abilities required are close and distance vision and ability to adjust focus. The outer office environment is conducive to outdoor weather conditions.

### Location

---

The office is located in Downtown Baltimore City. Parking is available and provided in the Market Center Garage. Public Transportation is accessible on the blocks around us to include MTA bus transit, Metro Subwaylink and Light Raillink.

### Schedule and Compensation

---

This opportunity is slated for the Summer Semester/Break. The expected duration of the internship is ten (10) weeks, starting the end of May or beginning of June. The schedule is flexible, 20 hours or less, and will be determined in advance. The hourly rate is \$15.00 for an undergraduate or \$16.00 for a graduate.

### Application Process

---

Submit your Cover Letter and Resume to [employmentopportunities@bcparking.com](mailto:employmentopportunities@bcparking.com) with the title, Parking Planning Internship in the subject line. Attach any samples of projects relevant to this opportunity.
