Dear Mr. Robinson,

Baltimore City Recreation & Parks would like to offer its support to the Friends of Riverside Park for their request for non-resident parking restrictions. Initially there were concerns that restricting access to the edges of the park would affect league play and recreational activities. However, we have been assured that the request focuses on overnight parking and that the permitted restrictions would be in place from 11 p.m. to 6 a.m.

We highly value the relationship between BCRP and the neighborhoods we support. If there is any additional information that I may be able to provide, or assistance I can offer, please do not hesitate to ask.

Regards,
